Independent Auditors' Report

To the Board of Directors
National Breast Cancer Coalition
Washington, D.C.

We have audited the accompanying financial statements of National Breast Cancer Coalition (NBCC), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Breast Cancer Coalition as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors
National Breast Cancer Coalition

Report on Summarized Comparative Information

In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NATIONAL BREAST CANCER COALITION

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

National Breast Cancer Coalition (NBCC) is a nonprofit organization incorporated under the laws of the Commonwealth of Pennsylvania on June 11, 1992. The object and purpose of NBCC is to eradicate breast cancer through focusing national attention on breast cancer and by involving patients and others as advocates for action, advances, and change.

Public Information & Public Policy Programs - NBCC focuses its public policy advocacy on legislative priorities that are most likely to further the mission of ending breast cancer through the power of advocacy. Specific areas of focus include legislation and policies that will increase funding for breast cancer research; provide access to high quality health care and clinical trials; and expand the influence of breast cancer advocates everywhere breast cancer decisions are made. NBCC selects its legislative priorities after extensive deliberation to ensure that scientific evidence is integrated into public policy with the goal of ending breast cancer.

The operations of NBCC are primarily funded by grants and contributions.

Cash and Cash Equivalents

NBCC considers all amounts in checking and money market accounts to be cash equivalents.

Property and Equipment

NBCC capitalizes all property and equipment acquisitions in excess of \$1,000. Property and equipment are recorded at cost, if purchased or at fair market value at date of donation, if contributed. Depreciation of property and equipment is provided using the straight-line method over the estimated useful life of the asset.

Allocation of Functional Expenses

The costs of providing the programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, payroll taxes, retirement plan contributions, other employee benefits, rent, depreciation and amortization, and other office related expenses, which are allocated on the basis of estimates of time and effort by employees. Expenses directly identifiable to specific programs and supporting activities are allocated accordingly.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported amounts of revenues and expenses. Actual results could differ from those estimates that were assumed in preparing the financial statements.

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting. Consequently, revenue is recognized when earned and expenses when incurred.

Financial Statement Presentation

The financial statements of NBCC have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which requires NBCC to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of NBCC. These net assets may be used at the discretion of NBCC's management and the Board of Directors.

Net Assets With Donor Restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of NBCC or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Grants and Contributions

NBCC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. Unconditional contributions with donor restrictions for which the restrictions are met in the year received are considered net assets without donor restrictions for financial statement purposes. Contributions received with donor-imposed conditions and restrictions that are met in the same reporting period are reported as support without donor restrictions. When a donor restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Income Taxes

NBCC is exempt from federal and state income taxes under Section 501(c)(4) of the Internal Revenue Code.

NBCC requires that a tax position be recognized or derecognized based on a "more-likely-than-not" threshold. This applies to positions taken or expected to be taken in a tax return. NBCC does not believe its financial statements include, or reflect, any uncertain tax positions.

NBCC's Form 990, *Return of Organization Exempt from Income Tax*, is subject to examination by the Internal Revenue Service generally for three years after filing.

Reclassifications

Certain amounts for 2019 have been reclassified for comparative purposes.
